### Job Description

Marquette Michigan Minister Search

The Marquette church of Christ is located along the shores of Lake Superior in Michigan's beautiful Upper Peninsula. An area very popular among young professionals because of the vast year round recreational opportunities afforded.

We have around 50 members with a very strong core group who are willing to help work with the new minister to grow the congregation. We have recently updated facilities that are both welcoming and functional. This is a great place to rear children and establish roots These are just a few of the reasons why this is an attractive work.

Our minister is retiring in May and we are looking for a well-grounded young man who can preach and evangelize effectively, loves the Lord and His church and has a strong desire to reach the lost while edifying the saved. We are looking for a family to come and join our family and stay with us for the long haul. If that is you please send a cover letter, your resume' as well as videos of recent lessons you have preached to.
