

## Job Posting Request Form

### Company Name

Thunder Bunny Labs

### Position Title

Production and Packaging Associate

### Job Description

Our company is looking for to add another member of our team to help manufacture and fulfill online orders.

\* Job duties include creating and fulfilling online orders. You also may find yourself operating laser cutters, large format printers, and more. No specific experience required.

\* Pay starts at \$12.50/hr - includes paid lunch break!

\* Looking for somewhere between 24 and 40 hours a week.

\* Flexible scheduling, several of our employees go to school and schedule around classes. We generally operate from 6am - 4pm M-F but within that can be flexible with hours.

\* Laid back work environment, everyone here is nice.

\* Fast growing and innovative company that has been doubling in size every year for 4 straight years.

\* Location is in Troy, near Big Beaver and John R.
