

## Job Posting Request Form

### Company Name

Brain Balance of North Oakland

### Position Title

Sensory Motor Coach

### Job Description

This position is for an energetic, hard-working and positive individual who enjoys helping students (ages 4-24) reach their full potential. Our program works with students who struggle socially, behaviorally, academically or developmentally by addressing the root cause of these struggles. This is an active and fast-paced position. Coaches will be required to be on their feet training children with physical, coordination, and sensory-integration activities while tracking data.

This is a permanent part-time position, with a one-year minimum commitment requested. Depending on skills and experience, wages will be between \$12 - \$14 per hour.

Preferred skills and experience:

Excellent communication and social skills  
Self-motivated team player  
Detail-oriented with the ability to multitask  
Experience tutoring/teaching/coaching children  
Patient and kind towards children with special needs  
Behavioral management experience helpful  
Experience and Education in Sports Science, Exercise Physiology, Special Ed, PT/OT, Education, Psychology or related field is a plus.

Required education:

High School completion working on a 2 or 4 year degree.

Other requirements:

Applicants must be available afternoons from 12:30-7:30 MWF

Please submit both a cover letter and resume to be considered for the position.
